NIXON LEADS COUNCIL IN SILENT PRAYER

Demos Pledge No Advantage Due To Ike's Illness

Stevenson, Johnson And Rayburn Hold Top-Level Meeting

STONEWALL, Tex. (AP)— Three top Democrats pledged today that the party will not attempt to take political advantage of President Eisenhower's heart attack.

The three party leaders—Adlai Stevenson, the 1952 presidential nominee; Senate Majority Leader Lyndon B. Johnson, and House Speaker Sam Rayburn—held a top-level conference at Johnson's ranch near here, where Johnson is himself recuperating from a heart attack.

Stevenson and Rayburn arrived at the ranch shortly before last midnight after Stevenson made a "non-political" talk to some 5,500 students on the campus of the University of Texas.

Johnson said the President's attack would not result in any change in Senate policy.

He said that as majority leader, it was his intention for the Senate to act on the basis of what is best for the country and not on a partisan line.

"I am not going to turn the Senate into a nominating convention or make precinct captains out of the members — even if I could, which I can't," Johnson told newsmen.

Johnson insisted to newsmen that the meeting with Stevenson and Rayburn was a "no politics" affair.

Stevenson arrived in Dallas by plane Wednesday from Chicago and went on to Austin where he touched on the nation's economy and foreign affairs in his speech before a cheering audience made up mostly of students.

Gov. Allan Shivers, who was in Houston, was conspicuous by his absence just as he was when Democratic National Chairman Paul Butler visited Texas last June.

Shivers led Texas into the Republican column in 1952 for only the second time in history when Stevenson refused to back Texas' claim to its tidelands.

The Texas governor recently said in Chicago that he would not support Stevenson again if he is nominated.

The party in Texas is still split wide open between Shivers' "conservatives" and "loyalists" who were faithful to the Democrats in 1952. The Stevenson visit, following by a few months the visit by Butler, apparently is another effort to get Texas "straightened out" before next year.

Stevenson, in his speech warned that there are "serious flaws" in the nation's booming prosperity. He said he was not a "prophet of gloom" but that certain economic trends point to "trouble ahead" and the nation's leaders should talk less about how big the boom is and more about how to make it last.

Charging that "farmers are not sharing at all in the good times," he said:

"Their prices continue to fall while prices to consumers do not and the profits of manufacturers rise to unprecedented levels. In the past, such a trend has been an ominous warning of trouble ahead."

Peron Granted Asylum in Spain

BUENOS AIRES (AP) — Ousted President Juan D. Peron has been granted asylum in Spain and may begin his flight into exile today, a source close to the new president said.

The informant said negotiations for a safe conduct pass for the deposed dictator have been concluded. He said Peron will be picked up by a seaplane from the Paraguayan gunboat in Buenos Aires harbor and flown to Paraguay. Then he will go to Spain.

Peron will leave behind what has been described as an "Arabian Nights" treasure trove amassed during his 10 years dictatorship of Argentina. A partial police inventory of the loot recovered thus far listed almost 30-million dollars in gold coins and U. S. and Argentine currency alone.

Quint Marie Dionne Returns to Convent

QUEBEC CITY (CP)—Quintuplet Marie Dionne, who left the cloistered life of a novice nun when the strain made her ill, was back in the quiet of convent life today and planned to remain there for the rest of her life.

Marie, now 21 and one of four survivors of the "famous five" whose sister Emilie died last year, returned secretly to the monastery of La Congregation des Servantes du Tres Saint Sacrament Sept. 12. She originally entered the order Nov. 3, 1953.

The Rev. Wm. Arnold Burroughs Named Pastor of First Presbyterian Church

The Rev. William Arnold Burroughs of LaVergne, Tenn., has been called by the congregation of The First Presbyterian church of Harrisburg to serve as pastor, and will preach in that church Sunday.

Mr. and Mrs. Burroughs and son, Tim, arrived today and will occupy the Presbyterian Manse on North Jackson Street.

Mr. Burroughs is one of a family of ministers, five sons and their father all being Presbyterian ministers, and all are actively serving Presbyterian church in Illinois and Tennessee.

Formal installations of Mr. Burroughs by the Cairo Presbytery will be held on Sunday evening, Oct. 9, at which time a brother, the Rev. Cortley H. Burroughs, pastor of the First Presbyterian church of Macomb Ill., will preach.

The Rev. Peter W. Fischer has been interim minister for the church during the past few months until the selection of the new pastor.

Highway Death Rate Jumps

CHICAGO (AP)—The death rate on the nation's highways is running more than 1,000 deaths ahead of last year and the most dangerous months are still to come, the National Safety Council said today.

The council reported that 23,470 persons have been killed in traffic accidents from the beginning of the year until the end of August. This is a five per cent jump of 1,040 deaths over the 22,430 recorded in the first eight months of 1954.

Council President Ned H. Dearborn warned that the most dangerous months for drivers are still ahead.

The highway death rate usually spurts in the last quarter of the year, when early darkness and rainy or snowy weather increase driving hazards, he said.

In August, when 3,600 persons were killed, the death rate jumped 10 per cent over August, 1954 to make it the sixth consecutive month to go over the previous year's record.

Deaths jumped four per cent from January to July, the council said.

Also on the bright side, 19 of the 47 reporting states had fewer deaths last month than in August, 1954, and 13 states had better eight month records.

Norris City Woman Dies

Mrs. Ruth Williams, 63, wife of Ora Williams of Norris City, died at 6 a. m. Wednesday in the Lawrenceville Memorial hospital. The funeral will be Friday at 2 p. m. at the Powell General Baptist church east of Norris City. Rev. E. W. Thomas will officiate and burial will be in the church cemetery.

$70,000 Suit Filed As Result of Fatal Auto Crash

A $70,000 damage suit has been filed in Saline County Circuit court as the result of an automobile collision north of Eldorado Oct. 17, 1954.

Plaintiff in the case is Robert Patton, administrator of the estates of Emma Lou Patton and Dennis Ray Patton. Defendant is H. B. Tanner, administrator of the estate of George Glass.

The complaint states that on the afternoon of Oct. 17, 1954, on Route 142 north of Eldorado, automobiles driven by Robert Patton and George Glass figured in a collision as the result of Glass driving across the black line into the path of the Patton vehicle.

Patton's wife, Emma Lou, and son, Dennis Ray, died as a result of the collision and Patton suffered injuries. Glass also died from the accident.

Patton asks $20,000 each in the deaths of his wife and son, $5,000 for loss of work and $25,000 for injuries suffered by Patton.

Russia Orders Return of 9,626 German POWs

MOSCOW (AP)—The Soviet Union kept its promise to West German Chancellor Konrad Adenauer and East German Premier Otto Grotewohl today and ordered the return of 9,626 German war prisoners. But some will remain prisoners in Germany.

A decree of the Presidium of the Supreme Soviet, Russia's parliament, said it could not remit the sentences of 749 of the prisoners "in view of the especially grave crimes they have committed against the Soviet people."

The decree said 8,877 will be released "from further serving sentences" and returned either to East or West Germany according "to their place of residence." But the 749 who will not be freed will be handed over to East and West Germany as war criminals, it said.

The Presidium's decree was the formal follow up of promises to Adenauer and Grotewohl during their missions to Moscow earlier this month. It specifically mentioned requests of both governments. The figure of 9,626 was the one used by Adenauer.

The decree did not mention fears by West German officials that up to 140,000 civilians are interned behind the Iron Curtain. West German officials have reported more than one-million soldiers and civilians missing, with most of them believed dead. Russia has said it knows only of the 9,626 mentioned today.

Coy Harner, 56, is Seriously Injured in Fall While at Work

Coy Harner, 56-year-old Pankeyville resident, is in serious condition in the Harrisburg hospital from injuries received late Wednesday afternoon while working at the Harrisburg Tire and Recap.

Mr. Harner was working on a ladder and fell about ten feet, striking his head and shoulders on the concrete floor.

Dr. B. E. Montgomery, attending physician, reports Harner has a skull fracture.

Yankees Win Second in Row From Dodgers

Tommy Byrne Hurls 4-2 Triumph For New York

NEW YORK (AP) — Battling Tommy Byrne shattered the Brooklyn Dodger jinx against lefthanders today by pitching and batting the New York Yankees to a 4-2 second-straight World Series triumph.

Play by play of game follows:

Dodgers First: Gilliam, with a two and two count, struck out. On the first pitch Reese flied to Bauer. Snider also flied to Bauer, who made a good running catch in short right center.

No runs, no hits, no errors, none left.

Yankees First: Bauer, on a three and one count, hit a ground single to left. McDougald struck out and Bauer was doubled attempting to steal second, Campanella to Zimmer. Noren flied to Snider.

No runs, one hit, no errors, none left.

Dodgers Second: Campanella fouled to McDougald near the Dodger dugout. Furillo walked on five pitches. Hodges flied to Bauer. Robinson was booed loudly when he came to the plate. Rizzuto went on the outfield grass in short left center to take Robinson's pop fly.

No runs, no hits, no errors, one left.

Yankees Second: Berra was hit on the shoulder and knocked down by an inside pitch. He was not hurt and went to first. Collins struck. Howard also struck out and Berra, going down to second on the pitch, was safe when Zimmer dropped Campanella's throw for the first Dodger error of the series. Martin struck out on a three and two count.

No runs, no hits, one error, one left.

Dodgers Third: Bauer, who pulled a muscle in his right thigh attempting to steal second in the first inning, had to leave the game. Howard moved to right, Noren went to leftfield and Cerv went to centerfield. Zimmer was called out on strikes. Rizzuto threw out Locs. Gilliam flied to Noren in left.

No runs, no hits, no errors, none left.

Yankees Third: Rizzuto singled to left. Byrne hit into a double play, Zimmer to Reese to Hodges. Cerv was called out on strikes. It was Loes' fifth strikeout.

No runs, one hit, no errors, none left.

Dodgers Fourth: Reese sliced a double into rightfield for the first hit off Byrne. Snider singled to the rightfield corner to score Reese and make it 1-0 in favor of Brooklyn, but he was thrown out trying to stretch it into a double at second, Howard to Rizzuto. Campanella walked on four pitches. Furillo flied to Noren. Hodges also flied to Noren in deep left.

One run, two hits, no errors, one left.

Yankees Fourth: McDougald singled sharply to right to make it the fourth consecutive inning in which the Yankee lead off batter reached first base. Hodges took Noren's hard grounder and stepped on first, then threw to Reese who tagged McDougald for a brilliantly executed double play. Herra singled to left. Collins walked on four pitches. Howard singled to left, scoring Berra, Collins stopping at second. Martin singled past Reese, scoring Collins, Howard stopping at second. Robinson batted for Rizzuto and was hit in the back by a pitched ball on Loes' first delivery to load the bases. Coleman ran for Robinson. Byrne singled to center, scoring Howard and Martin, Coleman stopping at second. Right-hander Don Bessent replaced Loes as the Brooklyn pitcher. Cerv grounded out, Zimmer to Hodges.

Four runs, five hits, no errors, two left.

Dodgers Fifth: Coleman stayed

Indicate Eisenhower Probably Will Announce Political Plans in December

By LYLE C. WILSON

WASHINGTON (AP) — The word here and from Denver is that President Eisenhower will reveal his 1956 political plans much sooner than was likely before he became ill, probably before Christmas.

The advice of his political associates and his own inclinations long had centered on an early March announcement. Mr. Eisenhower's political friends were strongly confident that he would announce willingness to accept renomination.

They are not confident now. There is a good chance that the contest for next year's Republican presidential nomination will become a free-for-all political brawl damaging to the party's election prospects, assuming that Mr. Eisenhower is out of it.

No Natural Successors

Sen. Robert A. Taft was the acknowledged leader of one large division of the Republican Party. He is dead. Mr. Eisenhower was the hand-picked leader of the other division of the party. A comparatively leaderless party can work itself into a dreadful tangle.

It is a wide open contest, therefore, as of now. Mr. Eisenhower can bring his prestige to bear in favor of his own choice of a 1956 presidential nominee only if he soon takes himself out of the running and goes all out to put his man over. It reamins to be seen whether the President can dictate the party choice. There is some doubt, even, that he will seek to do so. But presidents usually want to pick their successors.

But he still must take himself out earlier than planned, if he intends to retire, merely to be fair to the voters and to Republican hopefuls, even though he may not wish to choose among them.

Presidential primaries are coming up, the first on March 13 in New Hampshire, followed by Minnesota March 20; Wisconsin April 3; Illinois April 10; New Jersey April 17; Massachusetts April 24. Upward of a dozen others extend through May and into June.

Entitled To Chance

If Mr. Eisenhower retires and has no favorite, all hands are entitled to an equal chance at the primary gantlet. The voters are entitled to maximum opportunity to observe the various hopefuls under pre-convention campaign fire.

If Mr. Eisenhower has a favorite, he will have to hustle him into some key primary contests not only to ward off poachers but to put his man on show. The primaries are important. They can be deadly to a loser.

Taft's 1952 drive for the Republican presidential nomination was wounded, probably fatally, by New Hampshire and New Jersey primary reverses. A lone Wisconsin primary shattered the late Wendell L. Willkie's dream of obtaining Republican renomination in 1944.

Boasts Street Begging Provides Few Working Hours, Regular Vacations

TEMPLE CITY, Calif. (AP)—The law stepped in today to interrupt the "good life" of George W. Peterson, 31, who boasted his street begging enabled him to work only four or five hours a day and take as many as three vacations annually.

Peterson, of Los Angeles, told sheriff's deputies he has a savings account of more than $1,000 in a San Francisco bank, rarely works more than five hours a day, has not missed a regular summer vacation in four years and on occasion has taken three vacations in a year.

The secret of Peterson's begging success was a sign. On it was written: "I just arrived in town and am a deaf mute and unable to get a job so can you help me?"

When sheriff's deputies moved in to arrest the "deaf mute," he told them, "Okay, you've got me, let's go."

Peterson said he had been arrested "a hundred times." He told deputies the exact section of the penal code under which he should be booked for soliciting alms and vagrancy. Then he started talking of his successful career as a beggar.

"Last year at Stockton, Calif., just before Christmas, I made so much I took an extra vacation," he said.

Peterson said he has "worked" all over the country except in the South because "they're too tough on beggars down there." He said his favorite spot was an area in San Francisco where he usually netted an average of six dollars an hour.

He told deputies that when he isn't "working" he never passes up a beggar.

"I have a heart, too," he said.

Man, Woman Killed at Bush

BUSH, Ill. (AP)—A man and woman were killed Wednesday night when a car smashed into a train on a crossing here.

State police said the dead were Cecil D. Menninga, 26, Du Quoin, and Margaret Jelley, 37, Zeigler. Another Du Quoin man, Paul S. Queen, 29, was reported injured seriously and was taken to a Herrin hospital.

The car smashed into one of five freight cars standing on a Missouri Pacific railroad crossing here during switching operations. The crossing does not have warning signals but is floodlighted.

It was believed that Menninga who formerly lived in Pella, Iowa, was driving the car which belonged to Queen.

Eisenhower Inquires About State of Affairs

DENVER (AP) — President Eisenhower's doctors reported today that he spent "a very good night" as he continued his rally from a heart attack to the point of beginning to inquire about the state of affairs outside his hospital room.

The President has been told merely that "everything is fine," it was learned.

The President had another comfortable day Wednesday "without complications" and was able to spend 13 hours outside his oxygen tent at Fitzsimons Army Hospital. He was returned to his tent during the night but only as a routine measure to help him rest, the doctors said.

The few people who have had contact with the President since he suffered a heart attack last Saturday have made no effort to bring up business affairs.

He has, however, made at least one general inquiry, asking how things are going. He went into no detail and the staff member to whom the inquiry was directed replied without elaboration that "everything is fine."

Mrs. Eisenhower, who has a room across the hall from the President at the hospital, sees him several times a day and may have discussed any number of subjects. But the attitude of the staff is to say nothing to him about business or official affairs and answer when asked in general phrases of encouragement.

As the President's recovery proceeds, however, he is expected to start examining documents and pulling abreast of business affairs, possibly by late next week.

Judging from the official bulletins and statements by Press Secretary James C. Hagerty, the President Wednesday had his most pleasant day since he suffered a coronary thrombosis early last Saturday at the home of his mother-in-law, Mrs. John S. Doud.

In addition to being free of the oxygen tent during the day time, Mr. Eisenhower was able to enjoy recorded music in his hospital room. He also was looking forward to hearing recorded stories of western adventure, mysteries and selections from Shakespeare on so-called "reading records."

He has not been reading newspapers or listening to the radio, so the recorded music offers some relief from the tedium of hospital routine.

Open Valves for Water from Lake

Water was running in Middle Fork creek today. Lots of water!

This morning the valves were opened, allowing water from Lake Harrisburg to run into Middle Fork and start its journey toward the pumping station on the banks of the Harrisburg reservoirs. The valves were opened sufficiently to allow about a 30 inch stream of water to flow.

Mayor Claude Gibbons, Finance Commissioner Don Williams, Water Board member Bill Melton, Water Superintendent Amos Doom and Loren Vinyard and Al Vanbibber, maintenance men with the Harrisburg Water department were at Lake Harrisburg this morning, with Mayor Gibbons using the wrench for the first turns on the valves.

It is possible the creek will be flushed out sufficiently so that water can be pumped into the reservoirs by Friday.

Bow Heads in Thanks for Ike's Recovery

Unprecedented Action by Security Council

WASHINGTON (AP) — Vice President Richard M. Nixon opened a meeting of the National Security Council today with "a moment of silent prayer of thanksgiving for the marvelous record of recovery the President has made up to this hour."

In an unprecedented act, some 20 of the government's top officials bowed their heads and said a silent prayer for their President in Denver.

It has been customary for meetings of the Cabinet to be opened with prayer. But this has not been the practice in the National Security Council which advises the President on matters of defense and foreign policy.

Nixon, who has been serving as unofficial acting president during Mr. Eisenhower's illness, called the council to order in the historic Cabinet room of the White House.

Among those present were Secretary of State John Foster Dulles, Secretary of Defense Charles E. Wilson, Mobilization Director Arthur S. Flemming, and other top government leaders.

The session was the first held since President Eisenhower was struck by a heart attack Saturday. It will be followed by a meeting of the Cabinet Friday.

The roster of officials at today's meeting suggested the discussion ranged over a wide area. But Murry Snyder, assistant White House press secretary, said the attendance was not unusual.

Nixon conducted today's meeting from his own regularly assigned spot, leaving the President's chair, across the big table, vacant.

As Nixon entered the White House for the meeting, he said the session could be considered "routine." He said it was another indication that the government's business "is going forward in the absence of the President."

Daughter of Sec'y Benson Weds Canadian Doctor

SALT LAKE CITY, Utah (AP) — Barbara Benson, attractive brunette daughter of Secretary of Agriculture Ezra Taft Benson, and a young Canadian doctor were married today in the high-spired Salt Lake Temple of the Latter-Day Saints Church with Benson, an LDS apostle, officiating.

Close friends and relatives witnessed the ceremony, one of the most impressive in the Mormon ritual. Details of the rites are never divulged to non-members of the LDS faith.

Immediately after the temple wedding, Dr. Robert Harris Walker of Calgary and his bride were honored by 1,500 guests at a reception in the nearby Hotel Utah in the same suite where Secretary Benson and his wife had their reception 30 years ago.

They met while Walker and Miss Benson, oldest of the secretary's three daughters, were students at Brigham Young University, church owned school in Provo, Utah. Walker is active in LDS affairs and has filled two church missions in Canada. Miss Benson until recently was president of an LDS youth organization in Washington.

John Billman, 89, Prominent Retired Farmer, Dies

John Billman, 89, prominent retired Saline county farmer of the Cottage Grove community, died at 10:55 p. m. yesterday at the home of a daughter, Mrs. Mabel Alvey, RFD 4, Harrisburg. He had been in poor health for the past four months.

He was also the father of Mrs. Maggie Wise, Harrisburg, and Lloyd Billman, Eldorado RFD, and a brother of J. C. Billman, St. Louis, and Louise Offenstein, Bluford, Ill. He leaves 16 grandchildren and 15 great-grandchildren.

The funeral will be Saturday at 2 p. m. at the Church of Christ, Eldorado. Elder Charles Brannon will officiate and burial will be in the Cottage Grove cemetery.

The body lies in state at the Eldorado funeral home.

The WASHINGTON MERRY-GO-ROUND

by DREW PEARSON

DREW PEARSON Says: Trouble May Develop Inside Cabinet Over Ike's Friendly Policy Toward Russia; Ike Had Long History Of Minor Ailments; 3 Potent Californians Plan To Box Nixon From Presidency.

WASHINGTON. — Here are some of the things likely to happen inside the cabinet while President Eisenhower is convalescing:

1. There are bound to be some important differences over Russia. Secretary Dulles has made sour faces privately over Ike's attempt to get along with the Russians. Vice President Nixon has sided with Dulles, and even made a speech which knocked down some of the "Summit" goodwill. Nixon made his political reputation as a Russian-baiter and will continue that way inside the cabinet.

But men close to Ike in the White House, such as Harold Stassen, Sherman Adams, and Nelson Rockefeller, who know how the President feels about the importance of peace, are certain to tangle with Dulles and Nixon. This may prove quite a battle.

2. There will be little chance of tax cuts this year. Secretary of the Treasury Humphrey, though anxious for tax cuts, is determined to balance the budget. His word will be law.

3. More defense cuts. Again George Humphrey is likely to have his way about cutting the defense budget further. Despite the fact that Pentagon generals are up in arms and Senate Democrats threaten to vote the money anyway, the Treasury secretary will probably win out in his demand for less spending.

In general, there will not be too much upheaval in the cabinet or around the White House during Eisenhower's absence. He had been away more than any other recent president, and had used the general staff system of delegating authority.

He once told his joint chiefs of staff that he didn't want any problem brought to him until there was a unanimous opinion, and he has followed the same general system with other agencies — namely, letting them make the decisions. This was one reason why he never really understood the implications of the Dixon-Yates deal.

NIX ON NIXON

Ordinarily, the man who would emerge as the heir apparent to Eisenhower during his weeks of convalescence would be the young vice president scheduled to fill his shoes in case of death.

But political prognosticators who have already picked Nixon as the Republican nominee for 1956 forget one thing. Nixon won't be able to carry his own state of California at the GOP convention in San Francisco. For the boy wonder who shot to fame on the issue of the Pumpkin papers and Communists-in-government made some powerful enemies during his quick climb to the top.

Three of these happen to be the governor of his state, Goodwin Knight, who will control the California delegation in '56; the Republican leader of the Senate, Bill Knowland, who will help him control it; and the chief justice of the United States, Earl Warren, who, while out of politics, has a way of making his views known back in his home state.

These three have no reason to love Nixon.

Knowland and Warren in particular remember all too vividly how, during the Chicago convention in 1952, Knowland was approached by Senator Taft with the proposal that he be vice president on the Taft ticket in return for switching California's huge bloc of delegates to Taft.

Few young senators have been taken up to a more tempting mountain. If he had accepted, he would be president of the United States today. For Taft would have been elected and Taft is now dead.

But Knowland didn't accept. He stood fast behind his old friend, the governor of California. Meanwhile, young Nixon, who had been vociferous in his public avowals of loyalty to Warren, was busy behind the scenes trying to scuttle him. And on the belief that he could deliver the California delegation, Nixon got the coveted No. 2 spot on the Eisenhower ticket.

In the end, he didn't deliver. He couldn't. But he got the spot anyway, and is now vice president of the United States.

But the other Californians whom he double-crossed will never forget or forgive. And Gov. Goodwin Knight, himself a strong contender for the presidency, is in their camp today.

IKE'S MEDICAL HISTORY

Maj. Gen. Howard Snyder has given Eisenhower a complete physical check twice a year and keeps a voluminous file of every medical ailment. This detailed case history was turned over to the heart specialists when they arrived in Denver.

It showed the following ailments during the past 10 or 12 years:

Bursitis of the left shoulder, inflammation of the stomach lining. This doesn't include intestinal disorders, which have afflicted him half a dozen times since his election. He was also laid up for four days with a severe flu attack in January, 1943, during the North African campaign.

During his younger days, he picked up malaria and dysentery in the Philippines. He has also had his tonsils and appendix removed. He is still troubled by a football injury to his left knee joint in 1912 and uses a special, five-pound weight to exercise the bad knee. He fits the weight over the toe of his left shoe and swings his leg back and forth.

Ike has always guarded his health zealously. He is the only president who had a special doctor attached to him while in the Army. He has repeatedly said it is part of the job to keep in good health. To ward off colds, he takes pills made up from Dr. Snyder's own formula. Ike also watches his weight and automatically goes on a diet whenever the scales show over 178 pounds.

He gave up smoking six years ago, because of high blood pressure.

Former Somerset Resident Entertained With Birthday Dinner

Former residents of Somerset who are now residing in Michigan recently gave a birthday dinner in honor of the 68th birthday of Mrs. John Thompson. The dinner was held at the home of her son and daughter-in-law, Mr. and Mrs. Jim Thompson of Keego Harbor, Mich.

At noon a long beautifully decorated table centered with a cake topped with candles was laden with a delicious dinner. The group spent an enjoyable day visiting and reminiscing of days gone by.

Mrs. Thompson received several nice gifts.

The following were present for the occasion: Mr. and Mrs. Cecil Thompson, Chicago, Mr. and Mrs. Irvan Conkle and son, Cletis, of Pontiac, Mr. and Mrs. Collen Sauls and children, Patsy, Engil, Fred, Jane, Sue and Wayne of Keego Harbor, Mr. and Mrs. Henry Cook, Mrs. Lula LeMasters and son, Gregg, Mr. and Mrs. Leroy Cook and children, Bob and Susan of Wayne, Mich., Mr. and Mrs. Russell Hull and daughter, Gloria, Mr. and Mrs. Dan Mattingly and daughter, Linda, Mr. and Mrs. Herman Dowdy, Loretta Cartright, Kay Brantley and Pete Lorenz of Michigan and guests of honor, Mr. and Mrs. John Thompson.

Gladys Driskell and son, Dick, visited Monday evening with Betty Oxford and son, Ricky.

Mae Wallace spent Monday with Dorothy Beal and children.

Mr. and Mrs. Gene Williams and family of Evansville and Mr. and Mrs. Earl George of Herod have recently visited Mr. and Mrs. "Sleepie" Williams.

Mr. and Mrs. Newt Church called one afternoon this week with Mr. and Mrs. Raymond Oxford.

Wilma Beal was an over night guest last week with Mary Stricklin.

Mr. and Mrs. Hardin Evans of Gaskins City have recently visited with Mr. and Mrs. Arthur Stricklin.

U. S. Troops Leave Austria for Italy

BRENNER PASS, Italy (AP) — American occupation troops withdrew from Austria over this historic invasion route today to join allied defense forces in Italy.

The troops, removed under the Austrian independence agreement, will plug the defense line gap in northern Italy just south of this Alpine pass.

The first units of the 5,500-man U. S. force made the frontier crossing shortly after dawn. Riding in jeeps and trucks, the 200 officers and men from the first battalion of the 350th Infantry were headed for Vicenza.

They will be billeted in two camps outside the town in the northern plane of the Poe River.

Rescue Baby from Auto Hit by Train

HAMMOND, Ind. (AP) — A motorist rescued a baby from a stalled car seconds before it was smashed by a train Wednesday while the infant's mother watched in horror, unaware her child was safe.

Mrs. Edward Martin, 18, Cedar Lake, had jumped from the auto moments earlier with a second son in her arms. Charles Fessenger, Gary, saw she could not dash back in time to save the other boy, 14-month-old Joseph, as the train bore down on the crossing.

Fessenger leaped into the auto and snatched the child out of danger as Mrs. Martin stood helplessly by on the other side of the train. She did not know of the rescue until the train stopped.

Advance Gales of Typhoon Smash Into Southern Japan

TOKYO (AP)—Advance gales of Typhoon Louise smashed huge waves into southern Japan today, crumbling seawalls and forcing coastal residents to flee their homes.

At least 47 persons were injured. Two ships were sunk and six others were washed away. Eight buildings were destroyed.

Full force of the storm's 115-mile-per-hour winds was expected to hit Kyushu, Japan's southernmost island, later today but already the winds had reached 70 miles per hour, just five miles short of typhoon force.

NATO Forces Still Not Strong Enough, Gruenther Warns

CHICAGO (AP)—Gen. Alfred M Gruenther, supreme Allied commander in Europe, said NATO forces are not yet strong enough to beat back a Russian attack.

But they should be in three or four years, when German forces will have become effective, Gruenther told the closing session of the American Bankers Assn. convention Wednesday.

Gruenther warned that the "effective Soviet smile campaign" is currently melting a "certain fear that acted like a cement" in binding the free world together.

The "smile campaign" does not mean any real change in Russia's ambitions, Gruenther said.

The general said Russia has 175 troop divisions, "the largest land army in the world," as well as 20,000 operational planes and 350 submarines.

MILNOT makes the richest, smoothest puddings ever!

MILNOT MAKES RICHER, smoother pudding because it's a double-rich dairy product—made from whole milk. Richer because unwanted water is removed. MILNOT contains more than twice the mineral and protein values found in whole milk. Extra vitamin A and D, too. Smoother because animal fats are replaced with easy-to-digest vegetable fats which blend with pudding ingredients like nothing else on earth.

HAVING PUDDING? Make it with MILNOT! It's richer, smoother . . . costs less, too!

The MILNOT way to make puddings...

Prepare your favorite *instant* pudding by replacing milk with an equal amount of undiluted MILNOT. For *regular* pudding, use half MILNOT and half water in place of called for liquid. Cook as directed.

Other wonderful ways to use MILNOT

IN SOUPS, use MILNOT instead of milk or cream. Taste the richness, enjoy the smoothness.

IN SAUCES AND SALAD DRESSINGS, MILNOT is an any-way, any-time blender for all of your special ingredients.

IN CAKES AND COOKIES, MILNOT helps take the cost out of cooking . . . adds rich minerals and proteins.

IN PIES AND PASTRIES, MILNOT is smoother than milk or cream . . . tops, too, as a whipped topping.

***MILNOT** gives you more nourishment than whole milk—at half the price!*

A Sensible Way to
INVEST OUT OF INCOME

For several years this firm has made available Programs for investment in shares of Mutual Investment Companies. No large sum is needed to start such a Program. Thereafter you may add $25, $50, $100 or more at a time.

Why are more and more people using this sensible method of putting money productively to work by investing as they earn? Here are some of the reasons:

1. Through a Mutual Investment Company, you share in the future of a *broad cross-section* of American business.

2. The securities held by Mutual Investment Companies are carefully selected and constantly supervised by *professional investment managements.*

3. Through use of fractional shares, all money you pay in, under a Mutual Investment Company Program for periodic investment, is completely invested. Accumulation may be further speeded by reinvestment of dividends, if desired.

4. You pay only the usual sales charge for buying shares of the Investment Company you select. You borrow no money, so you pay no interest. There are no "extras" or "penalties". You may discontinue the Program, without charge, at any time.

5. Once your Program is established, all further investments may be made by mail, direct to a Custodian Bank, if you wish.

FBI Chief Urges Stronger Police Forces To Combat Crime

WASHINGTON (AP) — FBI Director J. Edgar Hoover said today that spiraling crime statistics since the end of World War II underscore an urgent need for stronger and better equipped local police forces.

"Inadequate provision for successful local police operation is certainly dangerous economy," he said.

The FBI director said that since the end of World War II major criminal activity has increased by 63 per cent and the number of arrest cases handled by local police has registered nearly a 50 per cent gain. But in the same period he said, police organizations have had a nominal gain of only 17 per cent in personnel.

Harrisburg B. & P. W. Club Hostess at Banquet For Clubs of District 13

In observance of National Business Women's Week, Sept. 25-Oct. 1, the Harrisburg Business & Professional Women's club was hostess to the other clubs of District 13 Tuesday evening at a banquet served at the First Presbyterian church by the women of the Guild. Sixty-five members and guests were served. The Carmi, Fairfield and McLeansboro clubs were all represented by their presidents and members.

The tables had been decorated in autumn colors, using vari-colored leaves, branches of pyracanthia berries and yellow candles. The club collect was led by Mrs. H. C. Lewis of the Harrisburg club.

Miss Meriam Evans, president of the local club, graciously welcomed the guests. The response was given by Miss Esther Kallenbach, of the Carmi club and district chairman. Introductions were made of Mrs. Zola Y. Sloan, state chairman of International Relations, Miss Kallenbach Miss Ruby Webb of McLeansboro, district vice-chairman, Mrs. Wilma Slagel of Fairfield and Mrs. Nelle Meyers of Harrisburg as past district chairmen. Club presidents, Mrs. Hala Armstrong of Carmi, Miss Alta Feller of Fairfield and Mrs. Edna Hetler of McLeansboro, were introduced and they introduced their members who were present.

Before the speaker was introduced the group enjoyed two piano numbers by Mrs. Edith Bell Smith of the Carmi club, a vocal solo by Miss Mary Price of Eldorado, a local club member, and two humorous readings by Mrs. Ruth Thompson, also local club member.

Mrs. Sloan paid a loving tribute to the guest speaker, Miss Bess Pemberton, who gave an enjoyable and inspirational talk on "The Power of a Woman's Hands." She had with her several pairs of gloves which she displayed between two kinds of women. One type was interested only in the exterior appearance, the other of the inward appearance, so to speak, one inspired to do her best whatever her work might be.

Miss Pemberton, retired from teaching school after 53 years, is still very active in Christian work. In her talk she did not at any time lose sight of the fact that the highest type of woman is the one who depends on her spiritual life for inner peace and understanding of mankind. Miss Pemberton also had one grain of corn to illustrate her comparison of life with the grain sowed in the right kind of soil. She told that there are between 800 and 900 grains of corn on an average size ear of hybrid corn. If each grain were planted and grew into a stalk of corn, each would bear at least two ears making the turnover of production an extremely high percentage. If a woman lives the right kind of life she can get a high dividend too, she said.

Mrs. W. E. Pankey Hostess To Saline County Garden Club

The home of Mrs. W. E. Pankey was the scene of the first fall meeting of the Saline County Garden club.

Small marigolds, shading from bright yellows to the deeper orange, and arranged in a Horn of Plenty reed basket, carried out the fall colors. The arrangement was by Mrs. Harry Border.

Mrs. S. M. Farrar, club president, presided at the business session. Twenty-two members answered roll call by telling what success they had achieved with their plantings during the past season.

Announcement was made of the meeting of the Garden Clubs of Illinois to be held at the lodge of Pierre Marquette State park near Grafton, Ill.

The speaker of the afternoon was Mrs. R. V. Ferrell of Eldorado who gave a most interesting talk on her hobby, "The Growing of Orchids." Her talk was highlighted with colored slides of the growing plants and the delicately shaded tints of many beautiful orchids blossoming in her green house.

Mrs. A. M. Hetherington concluded the program by giving the latest garden news.

Mrs. Pankey, assisted by Mrs. Harry Dorris Sr., Mrs. Roy Rievley and Mrs. Norman Benson, served delicious spiced tea and wafers.

Former Local Couple Weds in Michigan

Mr. and Mrs. Charles Reed who reside at 9 East Woolcott are announcing the marriage of their daughter, Miss Wallena Jo Brooks, to Robert L. Mitchell, son of Mr. and Mrs. Bob Mitchell, 33 West College of this city.

The wedding took place Saturday, Sept. 10, at 8 p. m. at the parsonage of the First Methodist church in Ortonville, Mich., with the Rev. Edward Pumphrey officiating at the single ring ceremony.

The bride chose for her wedding a dressmaker's suit of powder blue with white accessories and a corsage of white rosebuds.

Mr. and Mrs. Bob Pickford of Ortonville, brother-in-law and sister of the bride, were the wedding attendants, and Mrs. Pickford was attired in a beige suit with a corsage of red roses.

Other guests at the wedding were Miss Betty Carnahan of Jackson, Mich., George Simmons of Harrisburg and Kay and Patty Pickford.

Following the wedding a supper was held at the Wildwood Inn after which the couple left for a short trip into Canada.

The new Mrs. Mitchell is employed by the Bell Telephone Co. and Mr. Mitchell is with the Motor Car Transport Co. of Pontiac, Mich., where they plan to make their home.

In Memoriam

In loving memory of Minnie Bentley, who passed away 32 years ago today, Sept. 29.
When a mother breathes her last farewell,
The stroke means more than tongue can tell.
The world seems quite another place
Without the smile of mother's face.
And while she lies in peaceful sleep,
Her memory we shall always keep.

British Police Use Tear Gas Against Cyprus Demonstrators

NICOSIA, Cyprus (AP) — British police and commandos used tear gas against anti-British demonstrators in the main square of Nicosia today while British soldiers with fixed bayonets turned back a stone and bottle-throwing mob of 5,000 at Limassol.

The British troops and commandos were alerted for action when Greek residents of the Mediterranean island launched a 24-hour general strike this morning.

Despite the precautions, noisy clashes broke out with the start of the strike staged by the Cypriot trade unions.

Blonde Kidnaper Under Guard in Mental Ward

SAN FRANCISCO (AP)—Mrs. Betty Jean Benedicto, 27-year-old accused kidnaper of baby Robert Marcus, was under guard today in a psychiatric ward where she was being treated for a "convulsion."

Mrs. Benedicto, a buxom blonde who admitted taking the baby from the nursery at Mount Zion hospital Sept. 19, was arrested early Wednesday in Stockton, Calif., and brought here to face charges.

After intensive questioning, she was placed in a jail cell at city prison. Four hours later, she broke down completely, weeping and sobbing.

She was removed to the psychiatric ward at San Francisco hospital, where Dr. David Wilson, clinical director of psychiatry, said she would remain under observation for at least 48 hours.

Dist. Atty. Thomas Lynch said he will ask the grand jury next Monday to return a kidnapping indictment against Mr. Benedicto. The charge calls for a possible sentence of 1 to 20 years in prison.

Meanwhile, 12-day-old Robert was to leave Mount Zion hospital today with his mother, Hanna, 29, after undergoing a checkup. His father, Dr. Sanford Marcus, 34, said Mrs. Benedicto apparently gave the infant the best of care.

Claims Gov't Drops Coal Buying Plan

WASHINGTON (AP) —Sen. Joseph C. O'Mahoney (D-Wyo.) said Wednesday that the administration has dropped its emergency coal purchasing plan. He ordered an investigation to find out why.

During the 1954 congressional election campaign, former Foreign Aid Director Harold E. Stassen announced the plan to buy 10 million tons at a cost of about 150 million dollars.

O'Mahoney said only 1,130,000 tons were bought. As chairman of the Senate Interior subcommittee on petroleum, coal and fuels, he has ordered staff members to investigate.

GOP Candidate Will Run on Eisenhower Record, Hall Says

BANGOR, Maine (AP)—Republican National Chairman Leonard W. Hall said Wednesday night that it will be at least four months before it is known whether President Eisenhower will run for reelection.

Hall said that the next Republican candidate, regardless of whom it is, will run on the Eisenhower administration's record.

"The imprint of Mr. Eisenhower is on the party and the party has taken on the image of Mr. Eisenhower," Hall said in an interview.

Hall declined to speculate whether Mr. Eisenhower would run again.

Capt. Peter Townsend Requests Police Guard

BRUSSELS, Belgium (AP) —RAF Group Capt. Peter Townsend has requested and been granted a police guard to keep the curious from his home, it was disclosed today.

The disclosure coincided with growing expectations in Britain that some statement will be issued soon to stop the speculation concerning Townsend and Princess Margaret.

Husband of Former Local Woman Receives Promotion

Arza R. (Tex) Hughes

Arza R. (Tex) Hughes, husband of the former Virginia Ragsdale of Harrisburg, and former regional sales manager of the Maytag company in and around Akron, Ohio, has been promoted to assistant manager of the Chicago branch office of the Maytag company with offices in the Merchandise Mart.

Before joining the Maytag company in April 1953, Hughes was in the automotive business in Newton, Iowa, and prior to that he had worked for an oil firm in Houston, Texas.

During World War II, Mr. Hughes served as a navy gunnery officer with 27 months sea duty as a lieutenant commander. He is a member of the Elks, Rotary, Masons, V. F. W. and First Presbyterian church. The Hughes have two children, Kent and Lynne.

Pinay Hits Soviet Attacks On Atlantic Pact

UNITED NATIONS, N. Y. (AP) — France declared today it is against Western reconciliation with Russia if it means dissolution of the Atlantic pact and withdrawal of American forces from Europe.

French Foreign Minister Antoine Pinay told the United Nations General Assembly Russia "is on the wrong track when it attacks the Atlantic pact and when it bases its propaganda on the elimination of what it calls, improperly, 'foreign bases'."

"I know of no 'foreign bases' military establishments, imposed on any state, within the North Atlantic Treaty Organization," Pinay said.

"I know only of means of defense that have been placed in common, freely and voluntarily, in the service of a single ideal, that of peace.

Blames Communism in Africa

"It has to be said, frankly and openly:

"If defense is to mean the dissolution of the Atlantic pact and the departure of American forces from Europe, then France is resolutely opopsed to such a policy."

Pinay, the third of the Big Four foreign ministers to address the General Assembly's 10th annual session, took a firm stand against Russia's German policy and declared that the Bonn government is the only "democratically elected government in Germany."

Pinay accused communism of stirring up trouble in North Africa, where France has had difficulties with her protectorates. The Arab states are demanding a full U. N. airing of the situation.

SIU Plays Tough Central Michigan Team Saturday

CARBONDALE, Ill. — Southern Illinois University opens its home season Saturday night, Oct. 1, against tough Central Michigan, whose coach, Bill Kelly, made the pre-season boast "We may get beat, but I don't know by whom."

Kelly, whose Central Michigan team tied for conference honors last year, apparently is out to make good his prediction of an undefeated season. His team ran over Kansas State, 33-0, in its opener and downed a rough Western Michigan crew, 27-13. Western Michigan was so overpowered that Central used its third team toward the end of the game.

Central Michigan has 24 lettermen and has such a smooth-working outfit that an entire new team can be inserted in the game without much loss of effectiveness.

Michigan has had its share of the troubles with the loss of two backs, Jim Podoley and Jerry Thomas. Thomas is out with a broken leg, and Podoley quit to concentrate on the decathlon.

Despite the known power of Central Michigan, Coach Al Kawal and the Southern Salukies are not conceding a thing. Kawal scheduled hard scrimmages for this week, and the SIU team is in good condition.

The odds are all in favor of Central Michigan, however. Southern has only 10 returning lettermen, with half the varsity consisting of freshmen. Southern dropped its first two games, both by slim scores, losing to Southeast Missouri 7-0 and Illinois Wesleyan, 14-13.

Southern is showing improvement, and some of the freshmen are beginning to see considerable action. So far, Southern's passing attack has been ahead of its rushing department, and there may be plenty of passes in Saturday's contest.

Central Michigan will definitely have a weight advantage with 15 of the top 22 weighing over 200 pounds.

Six Southern Illinois Shrine clubs are in the midst of a pre-game ticket sale. A Shrine parade is scheduled for 6:30 p. m. Saturday, with the game set for 8.

School Officials To Meet at SIU

CARBONDALE, Ill. (AP) — Public school administrators will meet here Monday to hear explanations of new laws affecting schools in Illinois.

Nearly 200 superintendents and principals are expected from 31 southern Illinois counties for the meeting at Southern Illinois university. N. E. Hutson of the office of the state superintendent of public instruction will address the one-day session.

Among the topics to be discussed are teacher tenure laws, safety education, scholarships and county superintendents salary increases.

Lane to Sign With Cards as General Manager

Will Seek Either Durocher or Marion As Team's Pilot

NEW YORK (AP) — If their new general manager has his way, the St. Louis Cardinals' field manager for 1956 will be either Leo Durocher or Marty Marion.

The United Press has learned that Frank Lane, who resigned as general manager of the White Sox last Sunday and will be officially named general manager of the Cardinals within the next 72 hours, is going after Durocher or Marion.

Both Durocher and Marion are former Cardinal shortstop stars, but Durocher has "the inside track on the job and can have it if he wants it," according to an authoritative source.

Durocher, who resigned as manager of the Giants last Saturday, promptly signed as a talent contact with National Broadcasting Co. An NBC spokesman revealed Wednesday, however, that the studio "would not stand in his way" if he decided he wished to return to baseball.

It is known that Durocher has conferred with August (Gussie) Busch, president of the Cardinals, and Cardinal General Manager Dick Meyer since he left the Giants Sunday. Busch told Durocher the Cards would like to have him as their manager.

One thing Lane made clear in his negotiations with the Cardinals was that he was to have "full and complete say" in handling the personnel of the ball club if he took the job. Busch agreed that his hands would not be tied.

Lane leans toward Durocher as the man to replace Harry (The Hat) Walker at the Cardinal helm, but if Durocher makes good his determination to stay out of baseball—and even he admits he might "change my mind"—Marion is the man who Lane would like.

Only recently, Marion signed a contract to continue managing the White Sox during 1956 and 1957, but the White Sox undoubtedly would let him out of that contract if he so desired just as they let Lane out of his contract which still had five years to run.

Marion, who led the White Sox to third place the past season, is "very, very happy" in Chicago, but he would be ecstatic with joy to go back to St. Louis.

Caroline at Right Half for Alouettes

MONTREAL (AP)—J. C. Caroline, who won All-American honors at the University of Illinois two years ago, stepped in at the right halfback spot for the Montreal Alouettes of the Big Four Football Union today.

The speedy back signed a Montreal contract Wednesday and it was believed he agreed to take considerably less than the $15,000 once promised him by the Toronto Argonauts.

Caroline was released by the Argonauts last week, allegedly because his abilities didn't measure up to his high price tag. The Alouettes took him on after the Ottawa Rough Riders and the Hamilton Tiger-Cats both waived on him.

Wisconsin's Thomas Named Back of Week

MADISON, Wis. (AP) — It took Charlie Thomas less than four minutes Saturday to end the speculation about what Wisconsin would do this year without All-American fullback Alan Ameche.

The crowd at the Wisconsin-Marquette game had hardly settled in its seats before Thomas, on the Badgers' second play, took a pitchout between tackle and end, cut sharply and was off like a jet for the goal line 54 yards away.

Before the game ended, Thomas rushed 141 yards in 17 attempts. It was obvious that the 22-year-old Evanston, Ill., senior was no Ameche. But the 53,000 fans and several Marquette defenders could testify that seldom had they seen 219 pounds and a football move so far so fast.

Trains as Runner

Thomas, named Midwest Back of the Week for his show did not develop his speed suddenly. The 5 foot, 10-inch Negro youth was a relay runner in high school and in the Big 10 weight man's 100-yard dash last spring finished second by a step in just over 10.5 seconds. Among those behind Thomas in that race was Michigan's Ron Kramer, no slowpoke himself.

Looking At Sports

By BILL MELTON

Students at Harrisburg Junior high school will have a chance to see the 1955 World Series on TV it was announced today by Principal Louie Beltz.

Bob Karnes of Karnes Hardware has installed a TV set in the Junior Hi gymnasium and students during their free time and at the noon hour are welcome to watch the Yankees and Dodgers in action.

The set was installed in time for the opening game Wednesday and will remain at the school until the series is completed.

"As long as a student does not have a class or doesn't need to study, he is free to watch the World Series games," Mr. Beltz declared.

There has been a big turnover in the coaching ranks in the Greater Egyptian conference, it is revealed by conference secretary, Tim O'Brien, principal of Pope County Community high school (Golconda). Only three of the high schools—Equality, Pope County and Vienna—have the same coaches as last year.

The lineup of principals and coaches:

School, Principal, Coach

Cave-in-Rock, M. M. Davis, Glen Oxford.

Equality, J. S. McMurtry, A. L. "Kayo" Willis.

Galatia, Jack Large, Glen Dunn.

Pope County, Tim O'Brien, Gene Dick.

Ridgway, J. O. Austin, Bob Dallas.

Rosiclare, J. R. Martin, Millard Davis.

Shawneetown, Herschel Newcomb, Darwin Valter.

Vienna, Toby Hightower, Carroll Belcher.

Although the coach at Cave-in-Rock is named Oxford, it isn't the same coach the school had for so many years. L. E. Oxford coached at Cave for a long time, but has been succeeded by his brother Glen.

THIS DAY IN ILLINI SPORTS HISTORY, Four Years Ago, Sept. 29, 1951—Illinois flashed a whirlwind attack, led by Johnny Karras, Bill Tate, and Don Stevens, to whip UCLA 27 to 13 in the season's opener before 53,256 fans in Memorial Stadium. Karras counted three touchdowns, but Stevens had the day's longest scoring run, a jaunt of 58 yards. UCLA Coach Red Sanders predicted after the game that Illinois would be in the Rose Bowl on New Year's Day.

The Equality high school invitational basketball tournament, usually one of the earliest of the many holiday cage affairs in southern Illinois, will be played Dec. 19-22 this year. Entered in the meet are Ridgway, Shawneetown, Crab Orchard, Thompsonville, Goreville, Enfield, Joppa and host Equality. Shawneetown is defending champion.

Carrier Mills Alumni Make Plans For Homecoming

ThTe alumni association of Carrier Mills high school has been active the past several weeks perfecting plans for the third annual homecoming of CMCHS and hope to make the 1955 affair the "biggest and best."

An effort has been made to obtain the names and addresses of all former students of Carrier Mills high school and each will receive an invitation to participate in homecoming activities Nov. 3 and 4, Mrs. Thelma O'Neal, secretary of the association declared today.

The alumni association was organized only last year and every former student of CMCHS is eligible to become a member and is invited and urged to join. Membership is 50 cents per person and 50 cents annual dues, Mrs. O'Neal said.

All business firms, organizations and individuals are invited to enter floats in this year's homecoming parade. There will be three cash awards, $15 for first, $10 for second and $5 for third.

The homecoming activities will get underway Thursday evening, Nov. 3 and continue through Friday. Friday afternoon will be the parade, there will be a basketball game that night and to climax the activities there will be the coronation of Homecoming Queen about 11:30 p. m.

Officers of the CMCHS alumni are: Freeman O'Keefe, president; Frank Blackman, vice president; Harry Fife, treasurer; Thelma O'Neal, secretary, and Robert Whitney, Aline Keel, John Jenkins, Ronnie Arnold, Garfield Thomas, Clyde Dunn and Mrs. Pansy Black, members of the board of trustees.

Archie Moore to Fight Turpin Jan. 10

NEW YORK (AP)—Archie Moore's next fight will be his defense of the light heavyweight crown against Randy Turpin at London, Jan. 10, Manager Charley Johnston said today.

The match between 38-year-old Archie and England's Turpin, ex-middleweight champion, will be signed in New York about Oct. 19, when promoter Jack Solomons of London arrives.

The London fight will be his fifth defense of the crown he won from Joey Maxim on Dec. 17, 1952. He defended twice against Maxim and against Harold Johnson and middleweight champion Bobo Olson.

Was Trying Hard for Third Homer, Collins Says After Hitting Two

Editors Note: Joe Collins slammed a pair of homers and drove in three runs today to lead the Yankees to a 6-5 victory over the Dodgers in the first game of the World Series. In the following dispatch, he tells how he did it and how it felt.

By JOE COLLINS
As Told To The United Press

NEW YORK (AP) — I was tickled to hit two, but frankly I was trying for three.

Believe me, I was really "going for the downs" as we players say, when I came up for the fourth time in the eighth. But all I could do was fly out to left field. I hit that ball pretty good, too.

Don Newcombe wasn't exactly a stranger to me. I hit against him in 1948 when he was with Montreal in the International League. I was in the same league and I remember I always had good luck against him. Not great, you understand, but good enough to keep me happy.

He's certainly not the fastest pitcher I've faced this year but he's fast enough. Reminds me a lot of Willard Nixon, the guy with the Red Sox who gave us all that trouble this year. Newcombe has good stuff; he's no soft touch in any league.

I don't think they pitched me the same way twice all day today.

Newcombe kept the ball inside on me when I walked in the second inning. Then I hit a low fast ball for my first homer in the fourth, and in the sixth, the ball I hit into the bleachers was high and outside.

Give some of the credit to Mickey Mantle. I was using his bats. I picked up a couple of them a few days ago and I like them, so I've decided to use them. You bet I'll keep using them for the rest of the series.

I've hit two homers in one game twice before during the year, but naturally these two gave me more of a kick. As a matter of fact, I'd have to call this my best day in baseball—as far as thrills go, anyway.

Early Wynn of the Indians and Dick Donovan of the White Sox were the pitchers I hit two homers off in the same games earlier this year.

I certainly would have given a lot to have gotten that third one, but you can't have everything, I guess.

Besides, maybe it's a good thing to save one of 'em for a little later, anyway.

Minneapolis Wins Little World Series

MINNEAPOLIS, Minn. (AP)—Minneapolis, boasting home run power and iron-man hurling, reigned today as the Little World Series champion.

Blasting four home runs, the American Association entry whipped Rochester of the International League, 9-4, Wednesday night in the final game of the best-of-seven series.

The title was a nice sendoff for Miller manager, Bill Rigney, who moves up to guide the parent New York Giants in 1956.

Presidency of U. S. as Hazardous As Any Occupation on Earth

LARRY WAYNE BAILEY, son of Mr. and Mrs. Ernest W. Bailey of Pope county, is attending the University of Illinois Agriculture college at Urbana. Larry graduated from the Pope County Community high school, third in his class with an average of 4.8, and was the winner of two scholarships, the county scholarship and a Smith Douglas $1000 cash scholarship. He is staying at Nabor House, an Agriculture fraternity.

By LYLE C. WILSON
United Press Staff Correspondent

WASHINGTON (UP) — On the record of the past 55 years, the presidency of the United States is as hazardous as any occupation on earth.

Five of 10 presidents since the turn of the century have died or been cruelly stricken in office. William McKinley was assassinated in 1901. Warren Gamaliel Harding and Franklin D. Roosevelt died in office, both of cerebral hemorrhage, although Harding also was suffering from pneumonia. Woodrow Wilson was partially paralyzed during the latter months of his second term and for long was unable to discharge the duties of his office. President Eisenhower was struck down by a heart attack last Sunday, but is making good recovery progress.

Theodore Roosevelt had some illness but vigorously survived almost two White House terms only to be pinked by an assassin's bullet when he sought re-election as the Bull Moose candidate in 1912.

Assassination Attempt In 1933

An assassin shot at President-elect Franklin D. Roosevelt in 1933, the bullet killing Mayor Anton Cermak of Chicago. They occupied an open automobile in Miami, Fla.

Two Puerto Ricans stormed Blair House while President and Mrs. Truman were in residence there, but were unable to reach Mr. Truman.

The record of the past 55 years is impressive. Dr. Karl C. Wold had that in mind when he wrote a book called, "Mr. President—How is Your Health?"

Beginning with George Washington, Dr. Wold reported that presidents more often than not have suffered severe and often protracted illness while in the White House. Washington was seized with severe pains in his thigh shortly after his first inauguration. Pains, chills and high fever finally required surgery, minus an anesthetic to remove a carbuncle.

Illnesses Follow Patterns

The illnesses of presidents followed the patterns of the medical history of their times, Wold wrote. The earlier presidents were more often afflicated with intestinal infections. Heart disease is a more modern killer, although here always is the possibility that earlier physicians may have failed to recognize it in their diagnosis.

Nine former presidents have died of heart disease but there is no record of such as the cause of the death of a president in office. Cerebral hemorrhage was stated by Dr. Wold to be the second most deadly disease among presidents and former presidents with a toll of seven.

Dr. Wold found that modern presidents do not live as long, on the average, as their predecessors. The first 10 presidents lived to an average age of 77.4 years, the second 10 to an average of of 63.7 years. From Chester A. Arthur to Franklin D. Roosevelt, the average age of presidents at the time of death was down to 61.1 years.

Eldorado Eagles--Hosts to Bull Dogs Friday

THE LINEMEN—These players are expected to do the heavy duty "up front" for Eldorado in the big football game Friday night when Harrisburg invades Eldorado for a clash between the two undefeated gridiron teams. Top row, left to right, Allan Corbin, Bob Watson, Donald Durham, Bill Benefield, John Wettaw, Paul Plunkett, Jim Cuthbertson, Richard Overton, Jack Herron, Bob Dorman, Donald Kingery and Gordon Monroe; bottom row, left to right, Mike Davis, Jerry Chandler, Ray McClary, David Garrett, Web Mosby, Bob Laffoon, co-captain; Jack Mitchell, Bill Putnam, Ronnie Stroke, Paul Hausser and Lewis Boscarine.

Gregory Lee Barnett Celebrates First Birthday

Gregory Lee Barnett, son of Mr. and Mrs. Charles Barnett, celebrated his first birthday Sunday, Sept. 25, with a party in his honor.

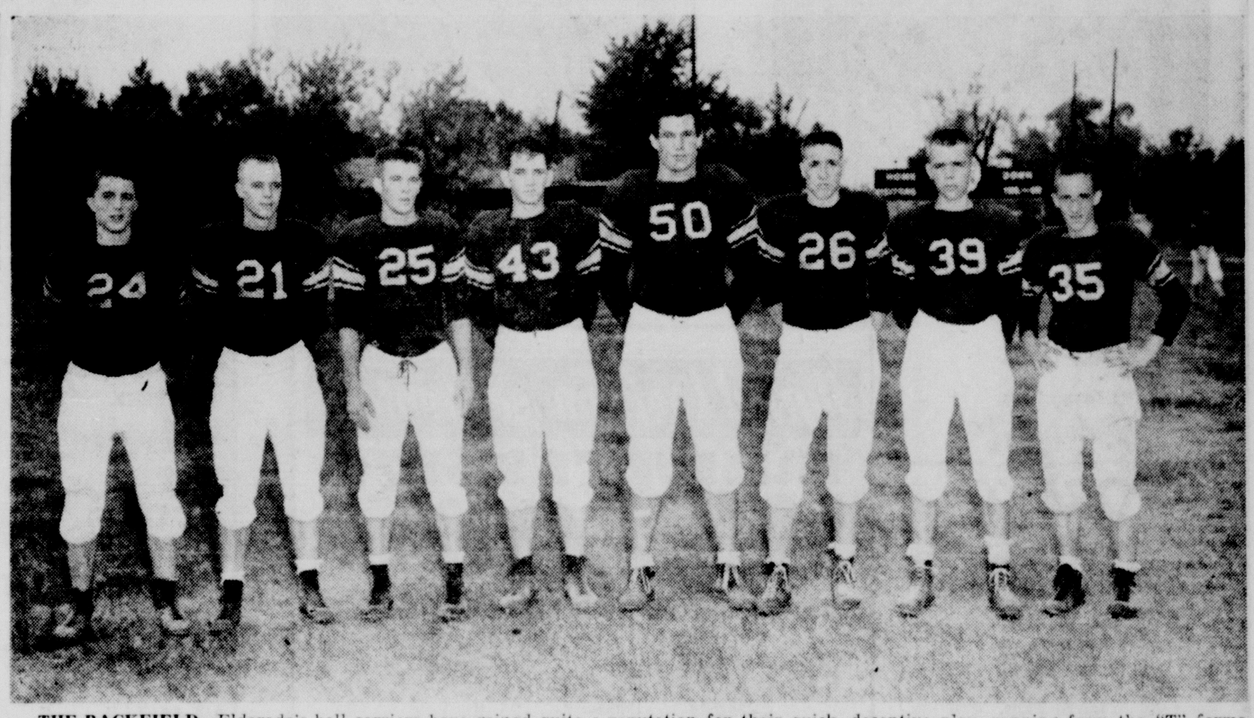

Many lovely gifts were received and refreshments of birthday cake and ice cream served to the following: Mr. and Mrs. Virgil Yahne and son, Danny, Mr. and Mrs. Coy Barnett and twins, Kevin and Kerin May, Shirley Barnett, Bill Melven, Bill Renshaw, Lula Belle Murphy, Lois Hodge, Bob Smith, Rickie and Jeanene Milburn, Cary Wiley, Marshall Fisk, Mrs. Lessie Hodge, Charles and Fanny May Barnett and the honored, Gregory Lee.

Several gifts were received from persons unable to attend.

BRUSHY

Mr. and Mrs. Leibern Lockwood and daughter, Sandra, of Pontiac, Mich., visited his parents, Mr. and Mrs. Chas. Lockwood, from Thursday to Sunday.

Mr. and Mrs. John C. Small and daughter, Mary Margaret, returned Monday from a week's visit to Jackson, Ohio, and vicinity. The 15th annual Apple festival was held that week with a parade Wednesday evening which included many beautiful floats and 22 bands.

THE BACKFIELD—Eldorado's ball carriers have gained quite a reputation for their quick, deceptive play, running from the "T" formation. From left to right, Gerald Foster, Bob Potts, Acie Gwaltney, co-captain; Gary Phelps, Lindell Lovellette, Ronnie Clark, Marty Feuquay and Donald Gwaltney. Feuquay, Phelps and D. Gwaltney are underclassmen, the other five are members of the Senior class. (Daily Register Staff Photos)

Because of variations in the intensity of the earth's gravitational field, a man who weighs 200 pounds at the equator weighs 201 on Ellesmere, Canada's northernmost island, says the National Geographic Society.

Every normal working day more than 1,000,000 tons of revenue-earning freight is carried on British railways by 20,000 freight trains. This is a substantial increase over prewar records.

Raleigh Home Bureau Holds Monthly Meeting

The Raleigh unit of Saline County Home Bureau met at the home of Mrs. Blanche Scates with 13 members present. The new chairman, Mrs. Peggy Peyton, presided.

The minor topic on "Corsage Making" was given by Mrs. Lora Upchurch and the major lesson on "Home Management" was given by Mrs. Mary Harper, home adviser.

Mrs. Harper was surprised to receive a lovely dish towel from each member in honor of her birthday.

The hostess served refreshments to the following: Mrs. Cathlene Parks, Mrs. Evelyn Wesley, Mrs. Lillie Cable, Mrs. Faye Williams, Mrs. Ruth Upchurch, Mrs. Peggy Peyton, Mrs. Esther Owens, Mrs. Elizabeth Bishop, Mrs. Florence Parks, Mrs. Pat Fulkerson, Mrs. Hazel Jones, Mrs. Lora Upchurch, Mrs. Edith Oglesby, and Mrs. Mary Harper.

Mrs. Owens was a new member and Mrs. Oglesby a visitor.

Methodist J-O-Y Class Meets at the Church

The J-O-Y class of the Raleigh Methodist church met Friday evening, Sept. 23, at the church. A delicious supper was enjoyed at 6:30 p. m. after which the president of the class, Kelley Murray, conducted the business session and the singing of the class song, "Bringing in the Sheaves."

The group repeated "The Lord's Prayer" in unison and the scripture reading was taken from Eph. 6:10-18.

New committees were appointed as follows: Recreation, Ruth Upchurch, Judean Norris and Maud Tate; refreshments, Elsie Murray, Ethel Wesley and Robbie Ecklund.

The meeting was dismissed by the class teacher, Mrs. Maud Tate.

Recreation hour was conducted by Mrs. Nola McClerrin.

Those present were Mr. and Mrs. Kelley Murray, Mr. and Mrs. N. E. Tate, Mr. and Mrs. Lester Upchurch, Mr. and Mrs. Alvin Ecklund and son, Danny, Mr. and Mrs. Johnnie Wesley and sons, Larry and David, Mrs. Judean Norris and son, Larry, Mrs. June Johnson and children, Judy and Jerry, Mrs. Maud Harrison, Mrs. Nola McClerrin, Mrs. Sedalie Gore, Mrs. Ella Dearing, Mrs. Lena Irvin, Mrs. Elizabeth Bishop, Organ James and visitors, Misses Beverly Bishop and Jent Anne Wesley.

Flavor tuna fish salad with grapefruit juice. Then use the empty grapefruit halves for serving the salad. Garnish with grated avocado or parsley.

SIU Gives Tips To Job Hunters

CARBONDALE, Ill.—Want a job? Whether you are hired or not will be determined largely by what is said and done in connection with the interview between applicant and prospective employer. Basically, obtaining a job is a matter of selling one's abilities and personality.

These tips are included in a student employment folder printed for new students at Southern Illinois university:

1. Call or write for an appointment, if possible.

2. Come a little early, or telephone if there is an unavoidable delay.

3. Dispose of chewing gum and lighted cigarettes.

4. Bring a fountain pen and be prepared to complete an application form neatly and accurately.

5. During the interview, be pleasingly confident and sincere and talk distinctly.

6. Be specific about job interests and vocational goals. Give, in a few words, information about special abilities and aptitudes.

7. First appearances may make or break chances for a job. Cleanliness is essential. Do not overdress, but wear clean, neat clothing. Good personal grooming makes a good first impression.

RUDEMENT

This Sunday will be the first for the new pastor for the coming year and Rev. Clifford Potter will preach here on the first and third Sunday morning and Sunday evening.

Mr. and Mrs. Loren Osman and family have the following visitors in their home: Mrs. Lida Osman and Turner Brown. Sunday callers were Mr. and Mrs. Willie Floyd, Mr. and Mrs. Jack Osman and baby and Hazel Osman.

Our sympathy is extended to the Warren family in its sorrow.

Mr. and Mrs. Clarence Foster have had as visitors during the past week end Mr. and Mrs. J. L. Foster, Mrs. Alma Killingsworth, Mrs. Imogene Ford, Mrs. Clara DeNeal and Mrs. Mary Parks.

Mr. and Mrs. Lee DeNeal visited Mrs. Hattie Prather of Harrisburg Sunday evening. Mrs. Prather is confined to her home.

Rev. and Mrs. Bob Booten and son have had as visitors over the week end Mr. and Mrs. Howard Sanderson and family, Mr. and Mrs. Lee DeNeal, Mr. and Mrs. Challis Buchanan, Mr. and Mrs. John Bishop and son, Russell, J. C. Booten, Jane Rose Booten and Jim Matthews.

Mr. and Mrs. Robert Bishop and daughter, Mr. and Mrs. Bill Berns and children, all of Olive Branch, Mr. and Mrs. Bush Williams of Stonefort, and Glen Bishop of Chicago visited Mr. and Mrs. John Bishop and son over the week end.

Roy DeNeal was ordained as deacon Saturday at the association.

Mrs. Mary Parks of Benton, Ark., is visiting relatives and friends here for a few days.

Woman Driver Placed In Jeopardy by Man

McPHERSON, Kan. — (UP) — Here's one woman driver who didn't panic in a pinch.

Idled at a railroad crossing, Mrs. Harvey Jantz' car was suddenly pushed onto the tracks while the red signal light flashed and guard arms were lowered.

Another car driven by — you guessed it—a man, had bumped Mrs. Jantz' machine into danger as the train approached.

She gunned the motor, swerved adroitly and angled past the signal arms to safety. The maneuver blew out two of her tires.

The man driver? The sheriff got him for not decreasing speed.

Egg yolks will beat better and combine more easily with a hot mixture, if one teaspoonful of water is added to them.

HERE IT IS . . . the wonderful Staley all-metal nests that Thomas Mitchell features on the Staley television program! This nest was originally designed to sell for $12 at retail . . . Staley bought thousands in order to bring them to you at less than half price!

The Staley nest is made to last for years. Solidly constructed of strong, heavy 28-gauge steel, all parts are galvanized for protection against rust. The double-fold channel construction prevents warping, and holds the nest in shape. Perches are made of strong, knot-free wood. There's no crowding in the 6 roomy 11 x 12 in. compartments, and the complete unit measures a generous 33 in. wide, 30 in. high and 12 in. deep. The popular deep-litter design provides for almost 4 in. of litter in each compartment to keep eggs clean and uncracked. All exposed metal edges are smoothly folded to prevent injury to hens or hands. Floors are removable for cleaning.

Each six-compartment nest accommodates 30 hens . . . 4 units will provide nests for a flock of 120 birds. You may never again have an opportunity to obtain such fine equipment at such a low price — so see your local staley feed dealer today and look for the nest coupon sewn into every sack!

You'll Need More Nests when You Feed STALEY EGG ATOMS

ONCE YOU TRY the Staley EGG ATOMS program, you'll quickly realize that you need more nests!

The Staley EGG ATOMS program is simple, practical and effective. First, worm your flock with Staley WORMER ATOMS. Worms cut egg production, waste feed and spread disease. Staley WORMER ATOMS take the work out of worming — you simply feed WORMER ATOMS instead of regular feed for a single day. There's nothing to mix, no capsules, no individual handling of birds. Next, feed Staley SUPER EGG ATOMS without grain for a week to bring birds into the very peak of condition. The extra-high level of antibiotics in SUPER EGG ATOMS kills bacteria, wards off disease, and stimulates growth and egg production. SUPER EGG ATOMS are fed continuously to high-producing strains to maintain peak production over long periods.

Finally, feed staley SOLO, DUO or TRIO EGG ATOMS for steady, consistent, winter-long egg production. All three products are "winterized" to help hens maintain high production during cold spells or sudden temperature changes.

Get the most out of your laying flock and your feed dollars this winter. See your local Staley feed dealer today and get started on the Staley EGG ATOMS program. And don't forget — you'll need several Staley all-metal nests once you start feeding Staley EGG ATOMS instead of ordinary laying feeds!
